

Ray Pacheco
House District 57
Republican

Dear Friends and Neighbors –

I am reaching out to the voters of House District 57 by going door to door to talk about issues, the very ISSUES that affect you and your families.

If you are like me I have grown weary of negative politics and smear campaigns that have engulfed our country. This is why Wyoming is different, as you know I was born and raised in Casper, Wyoming, and because of this - instilled in me are the same values my parents taught me about respecting everyone, building my community and investing in the future of our children - people like long time Wyoming leader **Tom Stroock** taught me about how to represent my community with integrity, character and Wyoming values.

In the final two weeks you will most likely get mailers that will be nasty and at times untruthful. **I am hoping you will stand with me and let them know we are different and that we represent the Wyoming Way!** So let's talk about the issues and come up with solutions to build a stronger Wyoming. Please feel free to contact me anytime if you have questions or concerns. 258-1226

Thank you for your support –
